Amazing TA. Explained concepts in an easy way for me to understand. Very friendly and accessible. Wish he could be my TA for future Econ classes.

Recitation was extremely helpful. Used to clarify all the topics that people did not understand in lectures. Very engaging, and well run.

very very good TA. one of the best TAs i have had since the year started. very easy to understand, very eager + willing to help students and answer all questions. very engaging and takes the time to ensure that students 100% understand. made econ fun!

Great. Grand. Wonderful. Revolutionized the art of the Macroeconomics Class Discussion. Good job.
