Question: Use this space for any comments you may have about your discussion, lab, or recitation, etc.

He did not always focus enough on the specific material that was going to be on the upcoming quiz/test. One time I went into his office hours and he said do you really think this is correct?? when I was attempting to obtain an explanation for a wrong answer on my exam. I thought this was a bit disrespectful and unnecessary. I have huge issues with the grading procedure, however that is a reflection of Samaniego not Zhe Fu.

TA has done a very good job, unbelievably.

Discussion was where I learned everything! Zhe Fu was amazing! I even recommended him to students who had other TAs because of how helpful and knowledgeable he was.

He is a very good TA and goes through thorough explanations and reviews of the course material.

Best TA i have ever had. excellent job of covering lecture material and making topics easy to understand. very nice.
